

Data Collection and Preprocessing Phase

Date	10 June 2024
Team ID	739643
Project Title	Online Payments Fraud Detection
Maximum Marks	2 Marks

Data Quality Report:

The Data Quality Report will summarize data quality issues from the selected source, including severity levels and resolution plans. It will aid in systematically identifying and rectifying data discrepancies.

Data Quality Report:

Data Source	Data Quality Issue	Severity	Resolution Plan
Kaggle Dataset	Kaggle datasets can sometimes have data quality issues, which can impact the accuracy and reliability of machine learning models. Some common data quality issues in Kaggle	High	<p>List all data quality issues found in the dataset</p> <p>Document the impact of each issue on model performance and accuracy.</p>
Kaggle Dataset	By addressing data quality issues, you can improve the accuracy and reliability of your machine learning models and make more informed decisions.	Medium	By following this resolution plan, you can effectively address data quality issues in your Kaggle dataset and improve the accuracy and reliability of your machine learning models
